We're working with partners to launch a Good Neighbour campaign across Nottinghamshire and we really need your help to look out for your elderly or disabled neighbours. Our Good Neighbour guide – [www.nottinghamshire.gov.uk/goodneighbour](http://www.nottinghamshire.gov.uk/goodneighbour) – has a range of information about services which could help your neighbours. You can also sign an online pledge to support our campaign, which aims to reduce the number of people who have falls or accidents in their home or garden or become victims of crime.

In many cases, an elderly person may just be struggling with everyday tasks like mowing their lawn or changing a light bulb. There is a range of support available for people to help keep them independent at home. But we need your help to spread the word.

Please take a few minutes to look at our Good Neighbour guide for some simple tips on how you can help. It might be something as simple as going to the shops for milk, helping to clear a path in bad weather or just popping round for a cup of tea. Please do your bit and be a good neighbour – it could make all the difference.
