

Bassetlaw Community Shop

This project was designed by Bassetlaw Food Bank with support from Bassetlaw District Council, the National Lottery Community Fund and Feeding Britain. The aim of Bassetlaw Community Shop is to support Bassetlaw's rural community in times of hardship and create better access to affordable food.

We will be visiting villages on a weekly basis with a range of items including food cupboard staples, fresh produce, toiletries, and cleaning products.

You can enquire about free membership by visiting the Community Shop or registering interest at https://bassetlawfoodbank.org/community_shop/

The service is launching week commencing 3rd October. Please see https://bassetlawfoodbank.org/community_shop/ for the schedule.

Further information:

Several of you have asked for information regarding the mobile community shop for you to use in communications etc. I have attached an information sheet with additional information on it and we plan on activating the online membership application on our website on the 26th of September. We will obviously monitor the first couple of weeks of operation and make adjustments based on feedback and our experiencing. We are starting the trial off with the following price structure

Any 10 ambient items £4

Any 15 ambient lines £6

Any 20 ambient lines £8 (this is the max number per week per shop based on a subsidy level we can maintain)

We will also offer fresh items such as apples, eggs, bread, bananas, onions, carrots, potatoes etc at 50p a portion.

If you need any more information then please let us know and thank you for your support with this project.
