

## CCT Wildlife Watch – March 2024

John Lower saw this Little Egret (one of three) mixing it with some rooks in the field next to Shireoaks Top Lock.

John saw this beautiful male Bullfinch at the side of One Slide Lock.

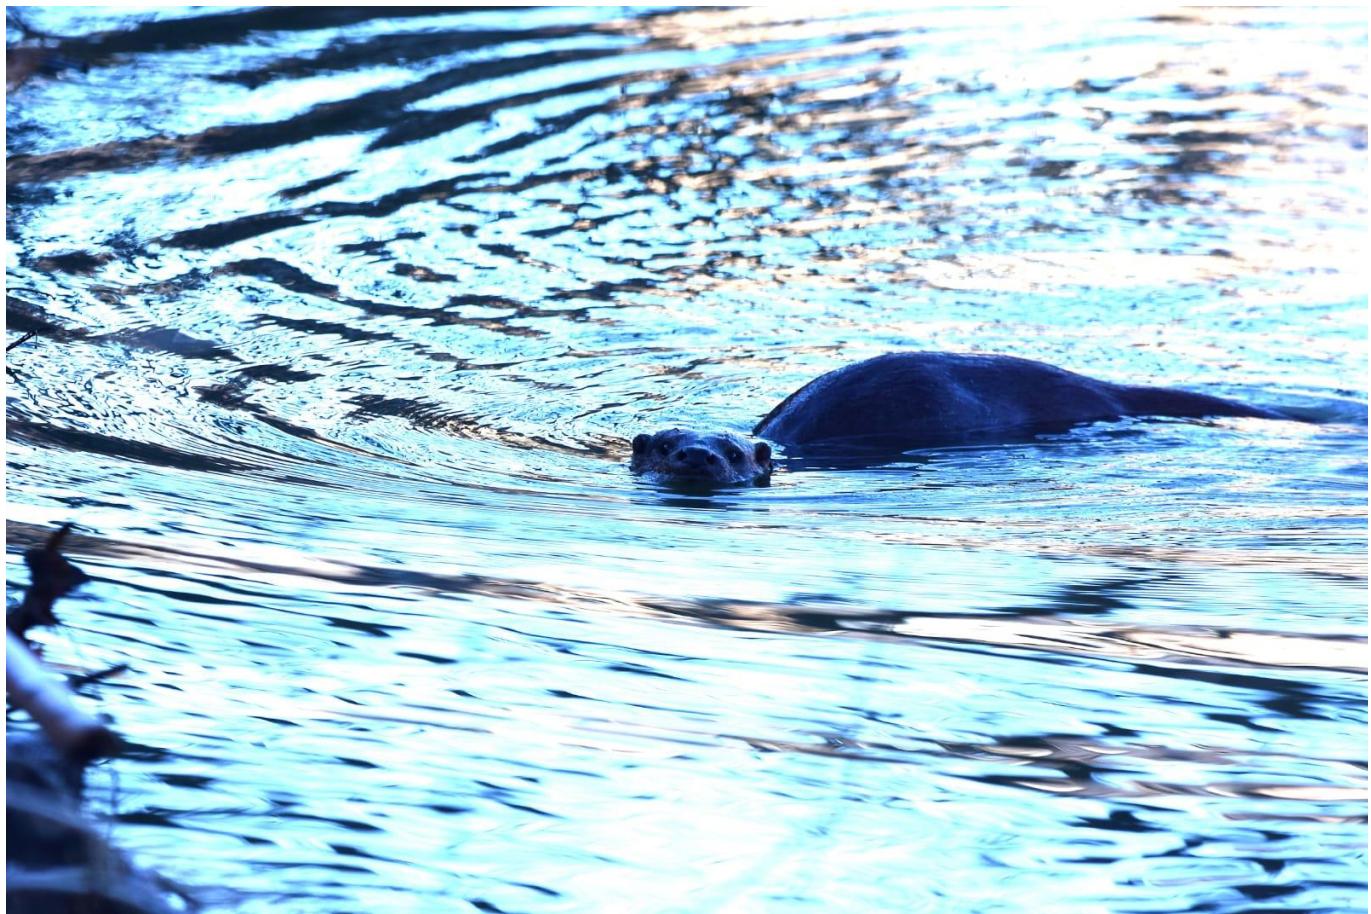

Margaret Edge admired these Hazel catkins at Cinderhill.

Jan Warsop espied this Fieldfare at Clayworth.

The Otter pictured above was seen at St Helena's by Andrew Scott, more shots below.

Not on the canal, but it's good to know that the Peregrine Falcon is back at the Crooked Spire in Chesterfield. Another superb photo from Andrew Scott.
