

## CLAYS GROUP SERVICES, SPRING 2026

To make the best use of Revd Mark's time for all our Clays group churches we are still sharing events. We are again having a **joint APCM** as our annual general meeting is known. It will be on **Wednesday May 20 at 7pm in church here in Clarborough.** All welcome. Please pray for roles in our churches to be filled and for more people to consider ways they can serve God in our communities.

**For services we would like to be able to transport people to other villages. If you could volunteer to help with transport occasionally please ring 07989895813.** Services with HC are Holy Communion, EP is Evening Prayer.
