

Join dress historians
Lucy Adlington and Meridith Towne of
History Wardrobe for an exciting
presentation showcasing
original garments and accessories!

Films gift us iconic gowns and trend-
setting styles. Whether it's the nostalgia of
'Gone With the Wind' or the sassy fashions
of Katharine Hepburn, women have long
been inspired to recreate the glamour of
film stars, hoping to feel halfway to
Hollywood themselves through movie-
imagined clothes.

Like picture-goers of the thirties and forties
Lucy and Meridith invite you to escape into
the world of cinema's golden age as they
explore sensational styles, as well as stories
from behind the camera, before revealing
their own show-stopping transformation...
