## **Pilgrim Fathers at the Hub.**

During the Arts Festival we will be opening a new Mayflower Pilgrims Museum at the Hub. This is the first permanent museum to the Pilgrims and is already creating a lot of interest.

We are still looking for companies to get involved, interested in sponsorship of the project. The potential for good publicity is huge. We have the Civic reception and the opening to coincide with the arts festival with 3K+ people through the Hub, we are picking up publicity from the radio with a special pin available from the Hub and word is spreading. We have already had a group of Americans through who were 'blown away' by it, and the word is spreading.

Enjoy your visit.
